Notes and Derogations

1. Chapter 7 (Government Procurement) of this Agreement shall apply provided that at least 80 per cent of the average turnover of that undertaking with respect to services arising within the European Economic Area (hereinafter referred to by “EEA”) for the three preceding years derives from the provision of such services to undertakings with which it is affiliated. When more than one undertaking affiliated with the contracting entity provides the same service or similar services, the total turnover deriving from the provision of services by those undertakings shall be taken into account. Chapter 7 (Government Procurement) of this Agreement shall not apply to service contracts which:

- (a) a contracting entity awards to an affiliated undertaking; and

- (b) are awarded by a joint venture formed by a number of contracting entities for the purpose of carrying out a relevant activity within the meaning of sectors 1 through 4 of Appendix 3.B.a to this Annex to one of those contracting entities or to an undertaking which is affiliated with one of these contracting entities.

2. The supply of drinking water to networks which provide a service to the public by a contracting entity other than a public authority shall not be considered as a relevant activity within the meaning of Sectors 1 and 4 of Appendix 3.B.a to this Annex where:

- (a) the production of drinking water by the entity concerned takes place because its consumption is necessary for carrying out an activity other than that referred to in sectors 1 and 4 of Appendix 3.B.a to this Annex; and
- (b) supply to the public network depends only on the entity's own consumption and has not exceeded 30 per cent of the entity's total production of drinking water, having regard to the average for the preceding three years, including the current year.

3. With regard to Appendix 3.B.a to this Annex, Chapter 7 (Government Procurement) of this Agreement shall not apply to the following contracts:

- (a) contracts which the contracting entities under sector 4 award for the purchase of water;
- (b) contracts which the contracting entities award for purposes other than the pursuit of their activities as described in Appendix 3.B.a to this Annex or for the pursuit of such activities in a non-EEA Member State;
- (c) contracts awarded for purposes of re-sale or hire to third parties provided that the contracting entity enjoys no special or exclusive right to sell or hire the subject of such contracts and that other entities are free to sell or hire it under the same conditions as the contracting entity; and
- (d) contracting entities exercising activities in the bus transportation sector where other entities are free to offer the same services in the same geographical area and under substantially the same conditions.

b. Liechtenstein

List of Entities

The contracting entities which are public authorities or public undertakings and which have as at least one of their activities any of those referred to below:

1. the provision or operation of fixed networks intended to provide a service to the public in connection with the production, transport or distribution of drinking water or the supply of drinking water to such networks (as specified under List of Sectors 1);
2. the operation of fixed networks providing a service to the public in the field of transport by tramway, trolleybus, bus or cable (as specified under List of Sectors 2);
3. the exploitation of a geographical area for the purpose of the provision of airport or other terminal facilities to carriers by air (as specified under List of Sectors 3);
4. the exploitation of a geographical area for the purpose of the provision of inland port or other terminal facilities to carriers by sea or inland waterway (as specified under List of Sectors 4);
5. the electricity sector.

For the purposes of letter b to Part B of Appendix 3 to this Annex:

- (a) “public authorities” means the State, regional or local authorities, bodies governed by public law, or associations formed by one or more of such authorities or bodies governed by public law. A body is considered to be governed by public law where it:
 - (i) is established for the specific purpose of meeting needs in the general interest, not being of an industrial or commercial nature;
 - (ii) has legal personality; and
 - (iii) is financed for the most part by the State, or regional or local authorities, or other bodies governed by public law, or is subject to management supervision by those bodies, or has an administrative, managerial or supervisory board more than half of whose members are appointed by the State, regional or local authorities, or other bodies governed by public law.

- (b) “public undertakings” means any undertaking over which the public authorities may exercise directly or indirectly a dominant influence by virtue of their ownership of it, their financial participation therein, or the rules which govern it. A dominant influence on the part of the public authorities shall be presumed when these authorities, directly or indirectly, in relation to an undertaking:
- (i) hold the majority of the undertaking's subscribed capital;
 - (ii) control the majority of the votes attaching to shares issued by the undertaking; or
 - (iii) can appoint more than half of the members of the undertaking's administrative, managerial or supervisory body.

Notes and Derogations

Chapter 7 (Government Procurement) of this Agreement shall not apply to:

- (a) contracts which the contracting entity awards for purposes other than the pursuit of their activities as described in Appendix 3.B.b to this Annex;
- (b) contracts awarded for purposes of re-sale or hire to third parties, provided that the contracting entity enjoys no special or exclusive right to sell or hire the subject of such contracts and other entities are free to sell or hire it under the same conditions as the contracting entity;
- (c) contracts for the purchase of water;
- (d) contracts of contracting entities other than a public authority exercising the supply of drinking water to networks which provide a service to the public, if they produce these services by themselves and consume them for the purpose of carrying out other activities than those described under List of Sectors 1 of Appendix 3.B.b to this Annex and provided that the supply to the public network depends only on the entity's own consumption and does not exceed 30 per cent of the entity's total production of drinking water, having regard to the average for the preceding three years; and
- (e) contracts awarded by contracting entities providing a bus service if other entities are free to offer the same service either in general or in a specific geographical area and under the same conditions.

- Stavanger kommune (Vann og avløpsetaten)
- Tromsø Kommune (Vann og avløpsetaten)
- Sarpsborg kommune (Vann og avløpsetaten)

Notes and Derogations

1. Chapter 7 (Government Procurement) of this Agreement shall, provided that the conditions in paragraph 2 are met, not apply to contracts awarded by:

- (a) a contracting entity to an affiliated undertaking, or
- (b) a joint venture, formed exclusively by a number of contracting entities for the purpose of carrying out activities within the meaning of paragraphs 3 to 7, to an undertaking which is affiliated with one of these contracting entities.

2. Paragraph 1 shall apply to:

- (a) service contracts provided that at least 80 per cent of the average turnover of the affiliated undertaking with respect to services for the preceding three years derives from the provision of such services to undertakings with which it is affiliated;

For the purposes of this subparagraph, “undertakings with which it is affiliated” means any undertaking the annual accounts of which are consolidated with those of the contracting entity or any undertaking over which the contracting entity may exercise, directly or indirectly, a dominant influence or which may exercise a dominant influence over the contracting entity or which, in common with the contracting entity, is subject to the dominant influence of another undertaking by virtue of ownership, financial participation, or the rules which govern it.

- (b) supplies contracts provided that at least 80 per cent of the average turnover of the affiliated undertaking with respect to supplies for the preceding three years derives from the provision of such supplies to undertakings with which it is affiliated; and
- (c) works contracts provided that at least 80 per cent of the average turnover of the affiliated undertaking with respect to works for the preceding three years derives from the provision of such works to undertakings with which it is affiliated. When, because of the date on which an affiliated undertaking was created or commenced activities, the turnover is not available for the preceding three years, it will be sufficient for that undertaking to show that the turnover referred to in points (a), (b) or (c) is credible, particularly by means of business projections. Where more than one undertaking affiliated with the contracting entity provides the same or similar services, supplies or works, the above percentages shall be calculated taking into account the total turnover deriving respectively

from the provision of services, supplies or works by those affiliated undertakings.

3. Chapter 7 (Government Procurement) of this Agreement shall not apply to contracts awarded by:

- (a) a joint venture, formed exclusively by a number of contracting entities for the purpose of carrying out activities within the meaning of this Annex, to one of these contracting entities; or
- (b) a contracting entity to such a joint venture of which it forms part, provided that the joint venture has been set up in order to carry out the activity concerned over a period of at least three years and that the instrument setting up the joint venture stipulates that the contracting entities, which form it, will be part thereof for at least the same period.

4. The supply of drinking water to networks which provide a service to the public by a contracting entity other than a public authority shall not be considered as a relevant activity within the meaning of sectors 1 and 4 of Appendix 3.B.c to this Annex where:

- (a) the production of drinking water by the entity concerned takes place because its consumption is necessary for carrying out an activity other than that referred to in sectors 1 and 4 of Appendix 3.B.c to this Annex; and
- (b) supply to the public network depends only on the entity's own consumption and has not exceeded 30 per cent of the entity's total production of drinking water, having regard to the average for the preceding three years, including the current year.

5. With regard to Appendix 3.B.c to this Annex, Chapter 7 (Government Procurement) of this Agreement shall not apply to the following contracts:

- (a) contracts which the contracting entities under sector 4 award for the purchase of water;
- (b) contracts which the contracting entities award for purposes other than the pursuit of their activities as described in Appendix 3.B.c to this Annex or for the pursuit of such activities in a non-EEA Member State;
- (c) contracts awarded for purposes of re-sale or hire to third parties provided that the contracting entity enjoys no special or exclusive right to sell or hire the subject of such contracts and that other entities are free to sell or hire it under the same conditions as the contracting entity; or

- (d) contracting entities exercising activities in the bus transportation sector where other entities are free to offer the same services in the same geographical area and under substantially the same conditions.

6. Chapter 7 (Government Procurement) of this Agreement does not apply to procurement subject to secrecy or other particular restrictions with regard to the safety of the realm.

7. When a specific procurement may impair important national policy objectives, the Norwegian Government may consider it necessary in singular procurement cases to deviate from the principle of national treatment in Chapter 7 (Government Procurement) of this Agreement. A decision to this effect will be taken at the Norwegian Cabinet level.

8. Norway reserves its position with regard to the application of Chapter 7 (Government Procurement) of this Agreement to Svalbard, Jan Mayen Island and Norway Antarctic possessions.

d. Switzerland

List of Entities

The contracting entities which are public authorities or public undertakings and which have as at least one of their activities any of those referred to below:

1. the provision or operation of fixed networks intended to provide a service to the public in connection with the production, transport or distribution of drinking water or the supply of drinking water to such networks (as specified under List of Sectors 1);
2. the operation of fixed networks providing a service to the public in the field of transport by tramway, trolleybus, bus or cable (as specified under List of Sectors 2);
3. the exploitation of a geographical area for the purpose of the provision of airport or other terminal facilities to carriers by air (as specified under List of Sectors 3);
4. the exploitation of a geographical area for the purpose of the provision of inland port or other terminal facilities to carriers by inland waterway (as specified under List of Sectors 4);
5. the electricity sector.

For the purposes of letter d) to Part B of Appendix 3 to this Annex:

- (a) “public authorities” means the State, regional or local authorities, bodies governed by public law, or associations formed by one or more of such authorities or bodies governed by public law. A body is considered to be governed by public law where it:
 - (i) is established for the specific purpose of meeting needs in the general interest, not being of an industrial or commercial nature;
 - (ii) has legal personality; and
 - (iii) is financed for the most part by the State, or regional or local authorities, or other bodies governed by public law, or is subject to management supervision by those bodies, or has an administrative, managerial or supervisory board more than half of whose members are appointed by the State, regional or local authorities, or other bodies governed by public law.

- (b) “public undertakings” means any undertaking over which the public authorities may exercise directly or indirectly a dominant influence by virtue of their ownership of it, their financial participation therein, or the rules which govern it. A dominant influence on the part of the public authorities shall be presumed when these authorities, directly or indirectly, in relation to an undertaking:
- (i) hold the majority of the undertaking's subscribed capital;
 - (ii) control the majority of the votes attaching to shares issued by the undertaking; or
 - (iii) can appoint more than half of the members of the undertaking's administrative, managerial or supervisory body.

1. With regard to Appendix 4.B.c to this Annex, Chapter 7 (Government Procurement) of this Agreement shall not apply to the following:

- (a) contracts for the acquisition or rental, by whatever financial means, of land, existing buildings, or other immovable property or concerning rights thereon;
- (b) contracts for the acquisition, development, production or co-production of programme material by broadcasters and contracts for broadcasting time;
- (c) contracts awarded to an entity which is itself a contracting authority within the meaning of the Public Procurement Act: "Lov om offentlige anskaffelser m.v." (LOV 1999-07-16 69) on the basis of an exclusive right which it enjoys pursuant to a published law, regulation or administrative provision; and
- (d) contracts of employment.

2. Chapter 7 (Government Procurement) of this Agreement does not apply to procurement subject to secrecy or other particular restrictions with regard to the safety of the realm.

3. When a specific procurement may impair important national policy objectives, the Norwegian Government may consider it necessary in singular procurement cases to deviate from the principle of national treatment in Chapter 7 (Government Procurement) of this Agreement. A decision to this effect will be taken at the Norwegian Cabinet level.

4. Norway reserves its position with regard to the application of Chapter 7 (Government Procurement) of this Agreement to Svalbard, Jan Mayen Island and Norway Antarctic possessions.

d. Switzerland
